**Patriot**

A person who vigorously supports their country and is prepared to defend it against enemies foreign and domestic.

### Standing the Watch

Ed Copher, Editor, "Saints Everlasting Keeper of the Flame"

### **"Keeper of the Flame"**

Memories glimmer and hide in the dim shadows

Daring us to '...catch me...if you can!'

As time steadily treads its own meandering path,

It's hard to trace old members of the clan.

Then someone steps up with lantern and blade

Shouting, "Let's gather them in for us all, good neighbor!

We'll bring forth those hidden in the shade, and

Share them with one and another!

"I'll keep that flame high and the blade ever sharp,

That our friends may never be lost in the dark!"

ONCE A SAINT, ALWAYS A SAINT

"War is a place where young people who don't know each other and don't hate each other kill each other, by the decision of old people who know each other and hate each other, but don't kill each other."

This is the youtube video from my radio show this last Saturday. Tim Snyder an economist was my guest. What we talked about should be on everyone’s minds. I believe we are entering into dangerous waters economically for our country. This summarizes it and tells it like it is.. This will not have a fast fix or return to normalcy anytime soon. I hope you enjoy. And please share with your friends and join us on the youtube page
