Stay safe, Be proud, Be strong, Be healthy, and Be well

Military Enlistment Oath: I do solemnly swear that I will support and defend the Constitution Of The United States against **all enemies, foreign** and **domestic**; that I will bear true faith and allegiance to the same; that I take this obligation freely, and that I will obey the orders of the President of the United States.

Standing the Watch

Ed Copher, Editor, "Saints Everlasting Keeper of the Flame"

"Keeper of the Flame"

Memories glimmer and hide in the dim shadows

Daring us to '...catch me...if you can!'

As time steadily treads its own meandering path,

It's hard to trace old members of the clan.

Then someone steps up with lantern and blade

Shouting, "Let's gather them in for us all, good neighbor!

We'll bring forth those hidden in the shade, and

Share them with one and another!

"I'll keep that flame high and the blade ever sharp,

That our friends may never be lost in the dark!"

Saints Reunion 16-19 October 2023: Submitted by Ed Chadwick

It looks like we will be at the Hampton Inn on **Pensacola Beach** the week of **October 16th** of 2023. Events will start on the evening of the 17th and continue **through Thursday the 19th**. However, I expect several squadron mates will arrive early and stay through the following weekend. The contract is not signed by the hotel yet, but I expect it will when the sales manager returns to town. Then we will obtain our code allowing a very favorable rate. Please contact your friends and relatives to let them know they are invited. Let's make this a special VA-163 Reunion. I should have a hotel commitment and more information by April 8th. Everyone please "get the word out" so we will have a large turn out. As always, contact me with any questions.

Point of contact: Ed Chadwick: chadco@chadcorealestate.com Phone: 503-781-3973

Remember: don't let the cost keep you from attending, scholarships are available.

Then 40 years entertaining in Las Vegas

Message from Joe Ziemian

Thanks for the newsletter...again. Always brings nostalgic feelings of an amazing time for me.

Like to submit an address change: we are now at 12335 Oak Brook Court in Fort Myers Fl. 33908.

Left Sanibel Island a few years ago when living in a 3 story house in a Florida jungle was getting tough. We moved ashore to Fort Myers in '19 to a place on a canal near the Caloosahatchee River and moved again to a place 2 miles away last June. Just moved in, didn't unpack and went to Jersey for summer. Actually, we went to a community yard sale and stopped across the street from this house. My wife saw the for sale sign on the property and said she always liked that house. So, instead of buying a lamp we were looking for, we bought a house.

Ironically, the guy who bought the canal house did some cosmetic changes with plans to flip it in the hot market. He priced the house almost 50% above what he paid but no joy. Then Hurricane Ian came. He had 4+/- feet of water in the house and the roof opened up, all the ceilings fell in. Total wreck. Barbara's (my wife) Guardian Angel watched over her again.

We had 3 feet of water in new house garage, lost BMW With 28,000 miles

And all stuff in the garage from June move. Plus roof and deck. But we were lucky.

Although still working on recovery.

Saw Sandy Gadsby a couple years ago down here and hear from him now and then. Our Jersey address is

7 Independence Way, Southampton NJ, 08088. Email remains

joeziem22@wmconnect.com

Thanks again for BZ job and Saints 4 Ever.

[From Ed Chadwick: Pilot Down](#)

Interestingly in 1967, we lost several men and aircraft in 1967 in an attempted rescue of one Navy pilot. Orders came down immediately that no more high threat rescues would be allowed. It’s possible that the reactions of many of us may have eventually altered that “no rescue” policy.

Saint John Shore had his 8 mm movies converted to a DVD. He said it only took him 50+ years to get it put together. I took the DVD and uploaded it to YouTube.com. What a task for this rookie YouTube user, took many hours, first had to convert the DVD to Mp3, and that took hours of work. Then upload to YouTube took many steps to get accomplished.
