### **Saints Tradition**

An old Saints tradition is that friends who have not seen or heard from each other for long periods of time never question their friendship. These friendships resume at the same time they left off regardless of distance and time between them. We call these friends “**Family**”.

### **Saints Motto**

“Fight by Night or Day, Land or Sea”

**NOTE:** Flickr went up on their annual fee from \$24.95 p/yr to \$49.99. They say because we were over the 1000 picture limit, and that they had been giving us a discount in the past. So, they doubled the price....go figure! We presently have 4,832 pictures on the site.

**Lady Jessie/CAG 16:** Submitted by Ed Chadwick

Hello Ghostriders and Saints,

Hope this finds all of you well, I have a little pre-Memorial Day present for you.....We just received word that a 30 minute documentary on Lady Jessie/Air Wing 16 is a 95% go! It will initially run on KVIE - the Sacramento PBS station - this Veteran's Day, and will almost certainly be picked up by other PBS stations across the country.

We will need to find underwriters or do some minimal fundraising - PBS actually charges to run independent documentaries - not the other way around! And there are a couple interviews and memorabilia I'd still like to shoot. However, this is such an important story and you guys all tell it so well, I don't think it will be difficult to raise what we need.

Please forward this along to anyone I might have missed.

**The best Blue Angel show of all time. A-4's.** Here is a video of them from the '70's. Bear Smith and Skip Umsted are the last two guys walking towards the camera before they get to their planes. They both died later in aircraft accidents. The crazy solo is Denny Sapp. Best show for the spectators because it was close to show center. Always in sight. **Tightest diamond formation ever.**

**Resource Book with details of all aircraft loss on every cruise:** Submitted by Ed Chadwick

Here is a site where books by Rene J. Francillon can be purchased. His "**Tonkin Gulf Yacht Club**" has a section that shows every carrier deployment during the Vietnam. It details each aircraft loss on every cruise, including the date, aircraft type, aircraft identification, squadron, pilots name / rank and well as whether the pilot was KIA, recovered or made a POW. I look at the book when memory fails me. It's a great resource.

Commander Fey, who asked my permission to use a Photo I took of Commander Stockdale's Saints A-4 from 1965. He said he did a thesis on CAG 16 and a Manifest. Many of the Saints including Skipper's Compton and Foster were interviewed as well as Mildman and others. It spans 1965 thru 1967. I found it very interesting with insight I never was aware of, worth a read. WE WERE THERE!!! Thanks Bill Tomko

Please take the time to view this and watch till the end. I was so very touched. And once again..... Thank you to ALL who have served our country! I live in a free nation because of your sacrifice! God Bless you! Because of the warriors of the past, the present, and the future, we Americans can walk tall. For those of you of may not know, or have forgotten, Lt. Col. Oliver North was wounded in Vietnam many times and never left the men he commanded. I am now passing this on for you to watch. It's not just enjoyable, it is riveting! When you are done pass it on too, I think it's important ... don't you? If you are a veteran, I say thank you, for everything! You are SO special! Take the time for this one.
