### Saints Tradition

An old Saints tradition is that friends who have not seen or heard from each other for long periods of time never question their friendship. These friendships resume at the same time they left off regardless of distance and time between them. We call these friends "Family".

### Saints Motto

"Fight by Night or Day, Land or Sea"

ONCE A SAINT, ALWAYS A SAINT

**[The Port anchor from the USS Oriskany has been moved from Jack London Square \(Oakland, California\) to the USS Hornet Museum in Alameda California...](#)**

The Port anchor from the USS Oriskany was located for years near Jack London Square, (on the Oakland estuary) in Oakland, California, but in August of 2012 it was moved to Alameda, California, to become part of the USS Hornet Museum in Alameda California...

In early 2014, Al Smith, a volunteer from the USS Hornet Museum, said the Port anchor from the USS Oriskany will become the Hornet's port anchor, as she only has a single starboard anchor...

**The Blues Flying the A-4**

Oh the good old days. Scooter drivers prepare to shed a tear.....

The best Blue Angel show of all time. A-4's. Here is a video of them from the '70's. Bear Smith and Skip Umsted are the last two guys walking towards the camera before they get to their planes. They both died later in aircraft accidents. The crazy solo is Denny Sapp. Best show for the spectators because it was close to show center. Always in sight. **Tightest diamond formation ever.**

[A good day to revisit the Virtual Wall:](#)

**Vietnam Wall**

First click on a state. When it opens, scroll down to the city and the names will appear.

Then click on their names. It should show you a picture of the person, or at least their bio and medals.

This really is an amazing web site. Someone spent a lot of time and effort to create it.

I hope that everyone who receives this appreciates what those who served in Vietnam sacrificed for our country. The link below is a virtual wall of all those lost during the Vietnam War with the names, bio's and other information on our lost heroes. Those who remember that time frame, or perhaps lost friends or family can look them up on this site.

**Military Video ~ Ending is Fabulous**

Please take the time to view this and watch till the end. I was so very touched. And once again.....

Thank you to ALL who have served our country! I live in a free nation because of your sacrifice! God Bless you! Because of the warriors of the past, the present, and the future, we Americans can walk tall.  
For those of you of may not know, or have forgotten, Lt. Col. Oliver North was wounded in Vietnam many times and never left the men he commanded. I am now passing this on for you to watch. It's not just enjoyable, it is riveting! When you are done pass it on too, I think it's important ... don't you?  
If you are a veteran, I say thank you, for everything! You are SO special! Take the time for this one. You won't be disappointed ... the end is a kicker.
