Saints Tradition

An old Saints tradition is that friends who have not seen or heard from each other for long periods of time never question their friendship. These friendships resume at the same time they left off regardless of distance and time between them. We call these friends "Family".

Saints Motto

"Fight by Night or Day, Land or Sea"

ONCE A SAINT, ALWAYS A SAINT

Saints Reunion Survey, Interest of Attending: Submitted by Richard Odegaard richard.odegaard@gmail.com

Reunion May 2017

Greetings to all Saints! It is time for another reunion. The 2017 reunion will be held the first week of May at the Nugget casino in Sparks, NV. We will be joined at this event by our sister squadron, VA-164, the Ghostriders. Please take a look at the attached letters. We are looking for a level of interest at this time that will justify going forward with the event. Hopefully, many of you will look forward to a trip to Reno and renewing acquaintances with those you went to war with 50 years ago.

Letters will be going out to those without email addresses later this week. An early response would be greatly appreciated.

Greetings to all Saints and Ghostriders,

Here is your one year warning of the next great "All Hands" reunion event. We are looking forward to hosting the reunion on May 3-5, 2017, at the Nugget casino in Sparks. We have had a number of requests for a joint reunion and given the shared history, this sounds like a terrific opportunity to renew old friendships. We have an enthusiastic endorsement from both Skipper Compton and Span.

Although it is very early in the planning stages we have secured a great room rate (\$59 plus tax and resort fee) at the Nugget. The Nugget has agreed to extend this great rate for two days prior to the reunion and two days following the reunion. **We are requesting a reply no later than the end of May 2016 from all that receive this letter indicating that "YES" I plan to attend or "NO" I will not be able to attend or "Maybe" I can make it. Please make sure that you include your contact information.** If you are not able to make it to this reunion, rest assured that you will be kept in the database for future events. This reply involves no commitment either way but merely gives us some indication of the number of rooms to hold and what events to plan.

We are asking all Saints to contact me by email at richard.odegaard@gmail.com or a letter to the above address or by phone to [775-626-0898](tel:775-626-0898). We are asking the Ghostriders to contact Jim Waldron at YDK164@aol.com or phone to [410-409-1987](tel:410-409-1987).

Sparks (Reno) offers a multitude of entertainment opportunities. If there is any interest we will try to arrange a visit to NAS Fallon. Other events may include the National Auto Museum, Lake Tahoe, Carson City/Virginia City, Fleischmann Planetarium, the Riverwalk, golf, Reno Aces (triple A baseball), etc.

We will flesh out the details of the reunion in future correspondence. Remember that both squadrons have a lifelong tie to this area in Ms. Jessie Beck. There is even an elementary school in Reno that is named after her. Looking forward to hearing from you!!

REMEMBERING THE FALLEN

Woman searching for Vietnam veterans visits

DAVID SHORT
BUSINESS EDITOR

The Vietnam Veterans of America, Chapter 923, drew quite a crowd this week including an international TV crew from Denmark.

Guest speaker Janna Hoehn of Hawaii talked about the Wall of Faces, a new museum soon to be built at the national Vietnam Veterans Memorial in Washington, D.C.

Hoehn said more than \$50 million has been raised in private donations so far but more is needed.

Hoehn has made it her mission to help find missing pictures of those killed in Vietnam.

"It is so important that we have one for every single

Janna Hoehn

service member killed in the war," Hoehn said. "I grew up during the Vietnam War and I remember seeing as an 18-year-old how badly returning veterans were treated coming home.

SEE VETS PAGE 3

VETS FROM PG. 1

I've always had a huge heart for Vietnam veterans.

While the museum construction hasn't started yet, Hoehn said the website is already up and allows visitors to pull up the name of any of the 53,000 killed in Vietnam and see not only their picture but also a quick bio on them.

"We have collected probably 45,000 so far, and the search continues," said Hoehn, who is one of many volunteers undertaking the task.

Hoehn said that local newspapers like the San Marcos Daily Record have been instrumental in helping, including the three photos just found in the last two weeks following a series of articles.

Relatives of two of those were in attendance at the meeting and expressed their gratitude to Hoehn for the work she and others are doing.

The Danish TV crew who happened to be in Central Texas this week had seen the story on Edward Gaytan in the Record and came to the meeting to interview Gaytan's sister, Mary.

Only two local veterans pictures are still missing: Fred Rodriguez, killed in action in 1965 and Allen W. Thomas, killed in action in 1968. If you have pictures of either or know how to reach a relative, please let us know and we can arrange to have those pictures on the Wall of Faces too.

Welcome Home Vietnam Veterans Day

Recognized as a day of commemoration, reflection and respect to Veterans who sacrificed so much during the Vietnam War.

On March 30, 1973 all US troops withdrew from Vietnam.

Over nine million military personnel served during the Vietnam War. Of that number 58,156 lost their lives, while 303,704 were wounded in action.

Instead of receiving a welcome fitting for the sacrifice they made for this country, the majority of the returning troops were met with criticism and hostility.

If you are a Vietnam Veteran, welcome home and thank you for your service. If you know a Vietnam Veteran please welcome them home and thank them for their service.

X-47B

The Navy successfully conducted take-off's and landings from the nuclear aircraft carrier, the USS George H.W. Bush, with a new stealth jet called the X-47B. What is so different about this plane is the fact that it is a 'drone.'

It is completely unmanned. Drones come in all sizes and the X-47B is likely one of the larger ones. What is so ironic about all of this is the fact that the enemy cannot detect a plane like this. In the unlikely event they get lucky at shooting one down, there will be no human loss of life or captivity.

As you view the flight deck crew signaling the plane, they are simply signaling the on-board cameras, who in turn are being manned by staff inside the command intelligence center on board the ship.

Also check out the short distance this plane needs for a take-off

Impressive indeed.

Vietnam Wall

First click on a state. When it opens, scroll down to the city and the names will appear.

Then click on their names. It should show you a picture of the person, or at least their bio and medals.

This really is an amazing web site. Someone spent a lot of time and effort to create it.

I hope that everyone who receives this appreciates what those who served in Vietnam sacrificed for our country. The link below is a virtual wall of all those lost during the Vietnam War with the names, bio's and other information on our lost heroes. Those who remember that time frame, or perhaps lost friends or family can look them up on this site.

Please take the time to view this and watch till the end. I was so very touched. And once again.....

Thank you to ALL who have served our country! I live in a free nation because of your sacrifice! God Bless you! Because of the warriors of the past, the present, and the future, we Americans can walk tall.

For those of you of may not know, or have forgotten, Lt. Col. Oliver North was wounded in Vietnam many times and never left the men he commanded. I am now passing this on for you to watch. It's not just enjoyable, it is riveting! When you are done pass it on too, I think it's important ... don't you? If you are a veteran, I say thank you, for everything! You are SO special! Take the time for this one. You won't be disappointed ... the end is a kicker.
