### Saints Tradition

An old Saints tradition is that friends who have not seen or heard from each other for long periods of time never question their friendship. These friendships resume at the same time they left off regardless of distance and time between them. We call these friends "**Family**".

### Saints Motto

"Fight by Night or Day, Land or Sea"

ONCE A SAINT, ALWAYS A SAINT

**Gene Currin's wife passed away:**

Cecile Barrett passed on 14 April 2018 at the age of 62. Celebration of life was held at Church of Eleven 22 on 25 April in Jacksonville, FL.

**From Dave Carey:**

Dear family and friends,

As you may know our grandson, Beckett - the cutest grandson ever, has Cystic Fibrosis (CF). Because the population is so small the CF Foundation is the primary, and almost only, sponsor of medical research. There are no government programs funding research for a cure. Cystic Fibrosis is being cured by small donors. People who give generously. People like you.

Recently the president of the CF Foundation, Preston Campbell, said at a conference, "Cystic Fibrosis is the most exciting story in medicine today," describing the ongoing work to find a cure for Cystic Fibrosis.

There are medications now available that treat the root cause of CF and provide real life improvements for about 40% of those living with the disease! While we celebrate these successes, there is still much work to be done to find a permanent cure for all with CF.

Please consider joining us as we support Beckett and the approximately 30,000 Americans living with cystic fibrosis. Help us provide hope that a cure is on the way. This year on May 19th, we are participating in the 2018 Austin Great Strides walk to raise money for a cure. Please come and join us at Mueller Lake Park, [4550 Mueller Blvd, Austin, TX 78723](https://www.austintexas.gov/department/mueller-lake-park) as we celebrate the great success the Cystic Fibrosis Foundation has had in groundbreaking research and as we pursue the goal of finding a cure.

We need your help in three ways:

Join us by signing up to be a member of Team Beckett at Mueller Park on May 19th. We appreciate your support and would love to see you at the walk.

Please consider joining Team Beckett and asking those around you to sponsor our Team. We love our donors, they make so many awesome things happen; but we are ecstatic about our teammates! We are asking our team to ask just two friends or family members to donate to the cause. Just think, you could tell our story to that strange uncle and a good friend and you could be an official member of Team Beckett!

Lastly, consider a 100-percent tax deductible donation to Team Beckett to help us find a cure. The Cystic Fibrosis Foundation uses these funds efficiently, with 90 cents of every dollar going directly to research and improving lives.

[Click here to go to Brian's page & donate.](#)

Thank you for your support!

Sincerely,

Brian, Alyssa, and Beckett Smith

Open the TechCrunch article.

Number of active pilots in the United States in 2017, down from over 800,000 pilots in 1980. That's kind of insane when you think about it; how are fewer people answering "hell yeah" to the question, "Would you like to disregard your own biological infirmity and soar into the sky in defiance of nature?" Why Naval Aviators are the best trained pilots in the world!

You can turn on your sound and go full screen .

These videos show the difference between Naval Aviation and any other kind. The links below are two videos about F-18 carrier operations aboard the USS Nimitz during weather that causes a severely pitching deck, which you can see in the videos. It's more dangerous than most combat missions and the tension in the pilots and crew is very apparent.

[Resource Book with details of all aircraft loss on every cruise:](#) Submitted by Ed Chadwick

Here is a site where books by Rene J. Francillon can be purchased. His "**Tonkin Gulf Yacht Club**" has a section that shows every carrier deployment during the Vietnam. It details each aircraft loss on every cruise, including the date, aircraft type, aircraft identification, squadron, pilots name / rank and well as whether the pilot was KIA, recovered or made a POW. I look at the book when memory fails me. It's a great resource.

I found it very interesting with insight I never was aware of, worth a read. WE WERE THERE!!! Thanks Bill Tomko

## Military Video ~ Ending is Fabulous

Please take the time to view this and watch till the end. I was so very touched. And once again.....

Thank you to ALL who have served our country! I live in a free nation because of your sacrifice! God Bless you! Because of the warriors of the past, the present, and the future, we Americans can walk tall.

For those of you of may not know, or have forgotten, Lt. Col. Oliver North was wounded in Vietnam many times and never left the men he commanded. I am now passing this on for you to watch. It's not just enjoyable, it is riveting! When you are done pass it on too, I think it's important ... don't you?

If you are a veteran, I say thank you, for everything! You are SO special! Take the time for this one. You won't be disappointed ... the end is a kicker.
