Saints Tradition

An old Saints tradition is that friends who have not seen or heard from each other for long periods of time never question their friendship.

These friendships resume at the same time they left off regardless of distance and time between them. We call these friends "Family".

Saints Motto

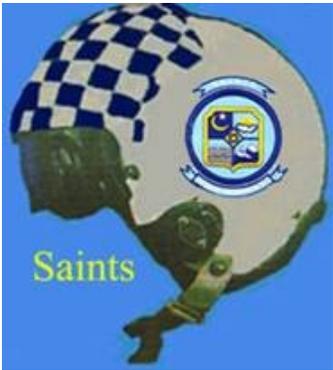

"Fight by Night or Day, Land or Sea"

****PAID \$49.99 annual Flickr.com photo site fee on 15 Nov 2018****

NOTE: Flickr went up on their annual fee from \$24.95 p/yr to \$49.99. They say because we were over the 1000 picture limit, and that they had been giving us a discount in the past. So, they doubled the price...go figure! We presently have 4,832 pictures on the site.

Senior Chief Stephen Skipchak: Saints Cook

Passing of SCPO Stephen Skipchak

Steve died on 2/4/19 in Marshfield, Wisconsin after a three year battle was cancer. He leaves a wife Ann and son Jeff. Senior Chief Skipchak serviced as Attack Squadron 163 second class cook aboard the Oriskany and Hancock. Skip, retired from the Navy Reserves after over 22 years of services. He successfully passed the E-9 examine and was selection for promotion after his retirement. Steve was a man who loved the Navy and was a great shipmate! Skip, will be missed especially by Dennis Mader, Bill Schultz, Richard Sprague and Nino Stabile, who were annual Saints reunion buddies!

Ed & Stella Copher both had Open Heart Surgery:

Stella had 3 bypasses done on 7 Jan, and Ed had the same 3 bypasses done on the “widow maker” on 21 Jan. All thoughts and prayers are appreciated. It’s a long rough road to recovery. We either one had any symptoms, just went in for routine check up. We both felt like teenagers. It’s called the “silent killer”, suggest everyone get the calcium score test done.

David Weber (AKA “Twidget”) one of our website volunteers has developed a site map for the Skyhawk Association website. Dave has written the computer code which will allow users to simply click on a particular link and go directly to that location on the web. There is also a “Glossary” located in the Ready Room under the heading “Finding Stuff”. We hope you find these latest web tools useful. Thanks to all for volunteering to be an SDO. Vietnam **Wall--THIS IS AMAZING!**

This is really sobering. First click on a state. When it opens, scroll down to the city where you went to high school and look at the names. Click on the name and it will give details of the person's death, a picture or at least their bio and medals.

This really is an amazing web site. Someone spent a lot of time and effort to create it.

I hope that everyone who receives this appreciates what those who served in Vietnam sacrificed for our country. Pass the link on to others, as many knew wonderful people whose names are listed.

This is for the A4 Skyhawk enthusiast .Got this from my Nephew in law. I love to see those Bombs and Rockets go off "ON TARGET" and successfully complete the mission. I took many Skilled and brave Pilots and many hard working and skilled crew to do these 12 to 16 hours a day. Hard to believe I used to load the Ordinance so many, many years ago, where did all those muscles go?

The Blues Flying the A-4

Oh the good old days. Scooter drivers prepare to shed a tear.....

The best Blue Angel show of all time. A-4's. Here is a video of them from the '70's. Bear Smith and Skip Umsted are the last two guys walking towards the camera before they get to their planes. They both died later in aircraft accidents. The crazy solo is Denny Sapp. Best show for the spectators because it was close to show center. Always in sight. Tightest diamond formation ever.

Resource Book with details of all aircraft loss on every cruise: Submitted by Ed Chadwick

Here is a site where books by Rene J. Francillon can be purchased. His "Tonkin Gulf Yacht Club" has a section that shows every carrier deployment during the Vietnam. It details each aircraft loss on every cruise, including the date, aircraft type, aircraft identification, squadron, pilots name / rank and well as whether the pilot was KIA, recovered or made a POW. I look at the book when memory fails me. It's a great resource.

Detail Thesis on CAG 16 1965-1967

Commander Fey, who asked my permission to use a Photo I took of Commander Stockdale's Saints A-4 from 1965. He said he did a thesis on CAG 16 and a Manifest. Many of the Saints including Skipper's Compton and Foster were interviewed as well As Mildman and others. It spans 1965 thru 1967. I found it very interesting with insight I never was aware of, worth a read. WE WERE THERE!!! Thanks Bill Tomko

Military Video ~ Ending is Fabulous

Please take the time to view this and watch till the end. I was so very touched. And once again.....

Thank you to ALL who have served our country! I live in a free nation because of your sacrifice! God Bless you! Because of the warriors of the past, the present, and the future, we Americans can walk tall.

For those of you of may not know, or have forgotten, Lt. Col. Oliver North was wounded in Vietnam many times and never left the men he commanded. I am now passing this on for you to watch. It's not just enjoyable, it is riveting! When you are done pass it on too, I think it's important ... don't you?

If you are a veteran, I say thank you, for everything! You are SO special! Take the time for this one. You won't be disappointed ... the end is a kicker.
